Coarse, light cloth with ethnic motifs

Printed fabric cloth fixed on a vertical paieka coconut fibre RUG: 180x250 cmillet, on which the poles supporting the tent are also resting

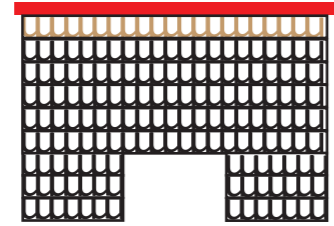

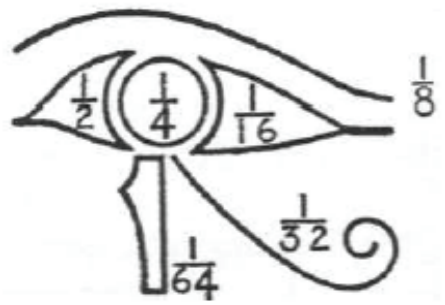

Small tables made of honeycomb cardboard, consisting of several layers of cardboard [at least 5 cm thick] with a red MDF top. The small tables, with cushions around them for seating, are the stations with the sowing games [to be purchased]. There are various models of sowing games, with small variations, but with different ornaments, ranging from South America to the Far East.

Metal support for tent pole. It is also possible to find solutions for tent supports. Poles can also be fixed in the horizontal pallet on which the vertical pallet is hooked
